Active Ingredients
Zinc Oxide 20.5% **Purpose**
Sunscreen

Uses • Helps prevent sunburn. • Higher SPF gives more sunburn protection. • If used as directed with other sun protection measures (see **Directions & Other Information**), decreases the risk of skin cancer and early skin aging caused by the sun.

Warnings • For external use only
When using this product • Keep out of eyes. • Rinse with water to remove.

Stop use and ask a doctor if • rash or irritation develops and lasts. **Keep out of reach of children.** If swallowed, get medical help or contact a Poison Control Center right away.

Directions • Apply generously and evenly before sun exposure and as needed • Reapply as needed or after swimming, perspiring or towel drying • Children under 6 months of age; ask doctor.

Inactive Ingredients Purified water, Shea butter, avocado fruit oil, black seed oil, carrot seed oil, vegetable glycerin USP, red palm oil (sustainable), Aloe Vera, blood orange essential oil, clary sage essential oil, rosemary essential oil.

Other Information

Fast Acting this sunscreen begins to work upon application creating a nano-barrier on top of the skin reflecting UVA-UVB rays.

Sun Protection Measures Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen of SPF 30 or higher and other sun protection methods including SPF rated clothing, a wide brim SPF rated hat and UVA/UVB rated sunglasses.

Use Daily to protect from incidental UVA/UVB damage. Use rain or shine as a daily sun protection measure for face, neck & hands. **Protect Product** from direct sun exposure, excessive heat or freezing. Refrigerate between long periods of non-use.
